Pick of the Week:

Oct 15 - The Talbot Hotel plays host to an appearance by Ireland's foremost spiritualist medium, Tom Colton. The Wexford date is part of a 50-date Irish 'Feel the Spirit' tour which Tom is currently undertaking.

Tom is well known for his national TV and radio appearances and recently kicked off the tour with successful events in Dublin, Munster and Connacht where he demonstrated his abilities in front of hundreds of people.

As a spiritualist medium Tom Colton is able to connect with the spirits of the bereaved and is the only known medium to allow those he reads to feel the energy of their loved ones in the same way he does.

In contrast to a lot of other mediums Tom believes everyone has the ability to connect and communicate with spirits in the same way he does.

Speaking to the Echo this week he commented:

"They just have to learn how to do it.

"There is no special gift it's something that everybody can do."

Thought-provoking, gripping, and often astounding, this show is sure to be a talking point among Wexford people for many months.

Tickets for the show are still available.

Irish spiritualist medium, Tom Colton, will be appearing in the Talbot Hotel Wexford, tomorrow night, Thursday, October 15
